AN INTERACTIVE MURDER MYSTERY

# SUSPECT DESCRIPTIONS

(READ THESE DESCRIPTIONS PRIOR TO INTERVIEWING YOUR SUSPECTS)

## Deceased

### **Principal Eve L. Nogood**

Principal NoGood was the long time principal of Paranormal High. Over the years, she has built a lot of enemies, both through her fiery temper and unorthodox leadership techniques. Recently, rumors have been floating around the school that Principal NoGood was planning to make Paranormal High School into a “typically developing” school. Her final plans leading up to her death may have included transferring of all the students and the firing of all her staff.

## Suspects

### **Willa Westwitch**

Willa Westwitch is a disgruntled janitor with a mysterious past. Willa is known to keep to herself, but lately she has been a lot more animated, cackling loudly. Willa is expecting a baby any day and no one at Paranormal High seems to know who the father is. Witnesses believe Principal NoGood may have uncovered this sordid secret in which she confronted Willa. Willa was seen running around, sweeping wildly, saying "I'll get you my pretty!"

### **Officer Brainson**

Officer Brainson is the security guard at school. He is also a zombie which affects his job performance. Rumors are floating about Paranormal High that Principal Nogood finally had enough and was going to fire Brainson. Officer Brainson was seemingly so upset over the news that all he could do was groan.

### **Coach Wolfe**

Coach Wolfe is the gym teacher at Paranormal High. Recently, his coaching methods have been drawing Principal NoGood's anger. After an argument in which Coach Wolfe refused to work evenings and his proposed new uniform designs were rejected, he was overheard saying, "I hope to see you at a full moon."

### **Ivana Blut**

Ivana Blut is the most popular girl in school. She's the head of the cheerleading team, oversees the night watch, and runs the daily school blood drive. All Ivana has ever wanted was to become the school prom queen. After Principal NoGood canceled senior prom, she was devastated. Ivana reportedly told witnesses "no senior prom, we'll just see about bat!"

### **Dr. Morty Madstein**

Morty Madstein is a brilliant, but mad, scientist who recently has become more obsessed with trying to revive the ghost of one of his past students, than successfully doing his job. Madstein was once madly in love with Principal NoGood, and rumor is he was devastated after she turned him down.

### **Harriet Pottster**

Harriet Pottster is the smartest kid in school and president of the wizardry club. After Principal NoGood failed to make Harriet school valedictorian, Harriet infused more dark arts into her sorcery, and promised her revenge, saying "not even Voldemort is as bad as Nogood!"
